Platinum that has not been invited to a previous Seminar

Q9 + 120.000 Group PV's + 3.000 personal PV's

Sapphires, Emeralds and upper levels

- Achieve 250 personal PV's per month or 3000 personal PV's in the fiscal year and be qualified in one of these levels.

New Platinum

- Achieve 6 qualified months with more than 75,000 Group PV's, plus 250 Personal PV's per month (total accumulated 3,000 PV's during the fiscal year)

Basics to participate in this adventure:

When to a Platinum qualifies a new Platinum in his group, the Group PV of the new Platinum will be raised the following way: the first month after the qualification it will rise 75%, second month 50% and third month 25%.

Growth Incentive Program 2003-2004

The 2003-2004 GIP is a great way to earn cash awards and invitations to premier Business Conferences. The GIP is there for you. Make 2004 a great year for your business!

Read on to get all the details for these awards including:

- One Time Cash Awards for DD's
- Emerald and Diamond Growth Incentives
- Profit sharing for Diamonds and above.

InterNET Global Communicator July/August 2004

One-time Cash awards for Direct Distributors and above

Criteria:

- ◆ You must be a new/re-qualified DD in FY04 to participate in the program
- ◆ Plan uses the existing ALS Point system to track growth. It's simple & easy to understand/explain.
- ◆ Points will be awarded only in "Q" months as defined.
- ◆ Just like Leadership Seminar, points get awarded only if there is a minimum of 1250 PGV on the side, in any particular month.

- ◆ The "baseline" for qualification in the DD incentive plan is based on the ALS Points that were generated in FY02/03 with the minimum baseline for all DD's being 6 ALS points.
- ◆ For DD's with Sapphire structures who did not earn points in FY02/03 their baselines will be determined by taking into account as to how many points they would have achieved with the requisite side volume.
- ◆ The minimum number of ALS points required to receive any cash awards is 7 points.

Plan:

- ◆ All Direct Distributors and above may be eligible for the Cash Award, which is based upon the ALS points which are obtained if you
 - ◆ Attain 10,000 PV or
 - ◆ Attain 4,000 PV over a qualified 21% leg or
 - ◆ Attain 1,250 PV over 2 or more qualified 21% legs

The base line to participate in the program is entirely dependent on the ALS points you earn in FY02/03.

Emerald Growth Incentive (EGI)

All qualified Emerald Bonus recipients are incentives for growing their business in 2003-2004

As a participant, you will receive a baseline of your total business volume achieved during 2002-2003 (Down to and excluding the next qualified Emerald Bonus recipient.) For every 20 BV of growth over this baseline that your business achieves in 2003-2004, you will receive a cash award.

Amway Philippines

Discover the road to the ALS 2004

New / first time Qualifiers can attend their first trip with Q8 for the next two Fiscal Years 03-04 and 04-05.

All new Q8 Qualifiers for FY 03-04 and FY 04-05 would then be required to qualify with Q12 or Q12 VE to participate in additional ALS trips.

As a minimum requirement you must be Platinum in FY 03-04 to qualify.

Volume Equivalency (VE) - Requirements would be for Q12 Equivalent Volume with a minimum of Q6 months of qualification. a Qualified Month may be achieved in 4 ways :

10,000 GPV

1Q leg + 5,000 side volume

2Q legs + 2,500 side volume for existing Q legs

3Q legs or more + 1,500 side volume for existing Q legs

At the same time, you need to earn 100 PPVs monthly during FY04.

InterNET Global Communicator July/August 2004

For IBOs qualifying with 2 or 3 legs, side volume will not be required for the month if the 2nd or 3rd leg is a new SP leg during that month.

August 2003 can be used as a swing month in two ways:

August 2003 can be used to compute for VE where the IBO can drop the lowest of 13 months (Aug 03 as the 13th month)

Aug 03 can be used as a Q month, as follows:

For 1st time Qualifiers, they can have 7 Q months in FY03-04 and use Aug 03 as the 8th Q month (assuming Aug 03 is a Q month)

For old timers, they can have 11 Q months in FY 03-04 and use Aug 03 as the 12th Q month (assuming Aug 03 is a Q month)
